| Samantha golden      | Teddington, England, UK | 2015-07-18 | I think it would be nice to have one back there I used it as a little girl with my family was a shame to see it go   |
| Michelle Maurice     | Twickenham, England, UK | 2015-07-18 | I think this would be a fabulous addition to the community. Creating a high end bar community interlinked with beautiful restaurants mirroring Richmond Riverside... And a lido in the middle promoting health and well being, whilst setting a beautiful backdrop. To combat the rugby fan issue- simply lock it after hours (or early closing times on rugby days)- maybe design it with archways and gates giving it a Mediterranean feel. Rugby Sevens and Army Navy shouldn't dictate the development of our neighbourhood. The residents and taxpayers should. |

| Maria Barrows    | Hampton Wick, England, UK  | 2015-07-18 | I grew up in twickenham and used to use the lido as a child. I often use Hampton lido which can become very over crowded. It would be nice to have a community space that isn't just for children.             |

| Nicola Meadley   | New Malden, UK             | 2015-07-18 | The river front buildings are wasted & have been in the 13 years I've lived here - standing idle whilst politicians argue. Do something for crying out loud & this looks like a particularly good idea.        |

| Julia Lidderdale  | London, England, UK          | 2015-07-18 | Hampton pool is overcrowded and pools on the park. We need sports facilities like this to improve the health of our nation fast lay becoming obese with an alarming rise in diabetes and cancer. It is important to have pools for people who cannot run or use gyms because of age/disability or recovery from disease and accidents. Please bring it back our summers are getting hotter! |

| Kevin Francis         | Twickenham, England, UK   | 2015-07-18 | I was heavily involved in stopping the Riverside development a few years ago and always felt a lido would be the ideal solution to the site. | Gill Rowlands    | Hampton, England, UK      | 2015-07-18 | I used to swim at Twickenham as a child and teenager. I now use Hampton pool. | Nick Burse            | London, England, UK          | 2015-07-21 | I think it's a great idea and would drastically influence the footfall/spend on our high street, well after the RWC has come and gone  |
| Josephine Gilbert     | Hemel Hempstead, England, UK | 2015-07-21 | My daughter and family live in Twickenham. I often visit and we would all love to have a Lido to use on our very own doorstep.   |

| Dinah Bean            | Twickenham, England, UK      | 2015-07-21 | We don't want any more cafes or retail outlets (have you noticed the amount of charity shops and empty shops already) in Twickenham. A lido would be great for young and old. Come on Lord True and the council, give us something the people want for once. |
| Aparna Bevan          | Twickenham, England, UK      | 2015-07-21 | I think it would be an asset to the area .   |

| Keith Aldred       | Kingston, England, UK      | 2015-07-22 | What a wonderful idea! I swim regularly and the more pools the better! This would give the community in Twickenham a huge lift. Go for it!   |
| Jo Wilson          | Twickenham, England, UK    | 2015-07-22 | A Lido would bring some life back in to Twickenham and rejuvenate a tired town, making Twickenham a go-to destination once again. A Lido would be used by all sections of the community, and would be hugely popular (as the Bristol Lido is). There is already the surrounding infrastructure in place to support a Lido - access, parking, public transport etc. Please please please support what would be a very welcome addition to our local area! |
| Dr John            | Great Bookham, England, UK | 2015-07-22 | There used to be a wonderful swimming facility at the Riverside and I'd like to see it reappear!   |

| Cassandra Niemand  | St Margaret's, England, UK    | 2015-07-22 | Twickenham has no place for people to ho for leisure or exercise. A Lido would be a place for young people to get together, instead of the streets or in front of a screen. |
| Liberty Fennel     | Twickenham, England, UK       | 2015-07-22 | I've lived in twickenham all my life and I would love to be able to swim out doors, it would change twickenham highstreet for the better also.                              |

| Daisy Howells      | Twickenham, England, UK | 2015-07-23 | As a resident of Twickenham I feel out high street is disintegrating, it's looks disgusting, it feels empty and I feel as though our neighbouring highstreets; Teddington, Whitton and Richmond are flourishing.  |
| Christopher Squire | Twickenham, England, UK | 2015-07-23 | If you are aiming for a debate by Richmond council, you should start a petition from the council's web a page. The signatures here won't count for anything.  |
| Jane hitchinson    | Hampton, England, UK    | 2015-07-23 | Lived in the borough all my life. My school used to use it for swimming galas. It was a spectacular pool and my husband loved it.   |
| Jean Sexton        | Kent, UK                | 2015-07-23 | I have great memories of Twickenham lido and believe that children today should have the opportunity to make the same great memories.   |

| Dr Olwen Griffith  | Twickenham, England, UK | 2015-07-24 | This is a brilliant idea  |
| Judith Strong      | Twickenham, England, UK | 2015-07-24 | Twickenham has a growing population but lacks the leisure facilities which provide a focus and contribute to the cohesion and well being of the community. Town centres need to change if they are to survive and thrive and shops and offices (of which there is already a surplus) are not the answer. Sadly there was opportunity to discuss the initial brief for the site. |
| Judy Craik         | Twickenham, England, UK | 2015-07-24 | this would be a great much needed facility  |
| Mike Dormer        | TWICKENHAM, England, UK | 2015-07-24 | Outdoor swimming facilities have been drastically reduced over the last 50 years and it's time that trend was reversed. The riverside site in Twickenham is an ideal location for a Lido and would have a dramatic effect on the character of what is currently a very drab and dull town centre.   |
| simon cromeey      | Twickenham, England, UK | 2015-07-24 | It would be fantastic for Twickenham.Twickenham rely too much on the rugby ground.Would be nice to have something in Twickenham for the local people  |

| Laura Owen         | Twickenham, England, UK | 2015-07-24 | It would be a great addition to our town.   |
| Martin White       | Twickenham, England, UK | 2015-07-24 | A place for the whole family, especially teenagers who have no social place to go in the area ( apart from hanging out in the parks) especially since the ice rink was taken away. This would benefit the entire community young and old and bring life to Twickenham beautiful part of the river. How can a car park, as it is now, be good use of such a beautiful spot!!   |
| Carol Holden       | Twickenham, England, UK | 2015-07-24 | It would be a wonderful asset to Twickenham   |
| Susan Wilkinson    | Twickenham, England, UK | 2015-07-24 | It would be fantastic for the local area and the children ( mother of one)  |
| Jan Collins        | Richmond, UK            | 2015-07-24 | When I first came to Twickenham many years ago I used to swim in the swimming pool on a Monday evening. This enjoyed by a lot of people at that time. I found it very sad to see the site become derelict and unused for so many years.   |
| Melanie Richardson | Twickenham, England, UK | 2015-07-24 | I learnt to swim at Twickenham pool! My children and MANY others would benefit from this wonderful idea. There are just too many reasons not to say a resounding 'YES' to this proposal!  |
| Jill Papworth      | Twickenham, England, UK | 2015-07-24 | Sounds like a great idea and should be financially viable   |
| Geoff Holden       | Twickenham, England, UK | 2015-07-24 | The original Twickenham pool was a focal point for the local community, especially children. Reinstatement would introduce a valuable cohesive amenity to the area.   |
| Daniel Millar      | Hampton, England, UK    | 2015-07-24 | There are no cold water swimming facilities at affordable prices any where near twickenham. Uxbridge and tooting are over 12 miles away. Heated open airs are dirty n over crowded on hot days  |
| Alison Huntley     | Twickenham, England, UK | 2015-07-24 | Me and my family would love to see the lido back and would use it regularly   |
| Angela Barnwell    | Twickenham, England, UK | 2015-07-24 | It's a brilliant idea - something that would really benefit Twickenham and the surrounding area.  |
| Susan Burningham   | London, England, UK     | 2015-07-24 | The empty space along Twickenham Riverside has for too long been a bone of contention. For as long as I have lived in the area residents have asked for the pool to be replaced and time and again their wishes have been thwarted by other grandiose plans. All plans from the Lib Dems and the Conservatives seem to centre on the theme of making Twickenham Riverside a pleasant place to be, a place that attracts visitors, encourages people to visit the many cafes |

Actually I believe our local tax payers' money would be well spent - do we really have to go cap in hand to another funder? Just recently the Conservatives have said the lido is not affordable - why not? Geoffrey Samuel boasted 'efficiency savings' when he pulled money out of the hat to part fund a shed for the Gloriana (something the Twickenham Riverside residents did not want). So why not use the efficiency savings to wards the funding of something people do want? Is it really rocket scie |
| Val Rayment        | Twickenham, England, UK | 2015-07-24 | We are fed up with just Rugby with allits restrictions on our lives. Let's have something for our young in twickenham  |
| Niamh Black        | London, England, UK     | 2015-07-24 | I live in Twickenham and have always thought it a shame that the refurb of Jubilee Garden did not include reopening the lido. The space would be much more utilised if it was.   |

| Rachel Meare       | Hampton, England, UK    | 2015-07-24 | I spend a lot of time with family and friends in Twickenham and the Hampton Lido on a warm day just doesn't have the capacity needed for the demand in the area.   |
| lucia bramble-boyd | london, England, UK     | 2015-07-24 | We love swimming, and would be a great escape from the harships of life we experience. Twickenham doesnt offer much in the sense of shopping, but lots for families and this would enhance that greatly. There is the space too, what a wonderful way to use it, we have plenty parks and outdoor spaces, how lucky we are to, but would be just great.  |
| Primrose Clarey    | London, England, UK     | 2015-07-24 | I have used the Bristol Lido in the sixties before it closed down, and again recently since it has reopened. I expect though the pool and spa will be most used by the 'middle classes', but give it a go.   |

| Karen Taylor       | Twickenham, England, UK | 2015-07-25 | The Lido is a brilliant idea. I used to go to the original one every summer. It was freezing cold -- but was still a highlight for a local lass. As was the Richmond Ice Rink. Why were these sporting venues ever closed? A Lido in Twickenham will provide a focal point for the town and neighbouring ones, generating money and providing people with much-needed activity. By all means, add another restaurant to the complex. Twickenham has many, but one by the river will be a real bonus.   |
| Ian Beach          | Twickenham, England, UK | 2015-07-25 | It William revitalice part of Twickenham where it is most needed and will also transfer quality all the way up into the heart of the town. I live almost next door and would love the opportunity to Project manage the  |

| Linda Taylor      | Isleworth, England, UK  | 2015-07-25 | I have many fond memories of swimming in the old Twickenham open-air swimming pool. A new lido in this area would revitalise the riverside and draw people into the town (especially with restaurant facilities by the river) and how wonderful if the Eel Pie Museum could be close by. It would help to put Twickenham on the map for something other than rugby. |

| Gail Rooke        | Twickenham, England, UK         | 2015-07-28 | Love the idea of an easily accessible pool - one that I can walk to in spite of my advanced age - smack in the middle of Twickenham - especially if local residents can have input into its design and the subsequent organization and running of the pool...final point perhaps there will need to be some sort of subscription scheme that favours local residents.residents can have input to its design and the subdolved in its design design and subsequent running :pve the idea oa Used to swim at the old Twickenham pool yonks ago |
| Lisa Ball lechgar | Abu Dhabi, United Arab Emirates | 2015-07-28 | I grew up in Twickenham and the pool was a favourite childhood haunt. After decades of abandonment, what the council eventually created is cheap and nasty. When I come home, I don't want to visit a riverside that is full of underage drinkers and tramps, I want to see a vibrant community treasure that holds up Twickenham as a place beyond rugby and pubs.  |
| j barnett         | kent, England, UK               | 2015-07-28 | Too long left derelict, we want it re opened   |

| Jeanette James     | Twickenham, England, UK        | 2015-08-01 | I think a proper swimming lido on Twickenham Riverside will bring much needed footfall to Twickenham and its shops and restaurants. I think there should be a proper consultation to ensure that the proposed copy of the Bristol model is right for Twickenham. It has to be an improvement on the soulless gardens currently there.   |
| john FINNERTY      | Twickenham, England, UK        | 2015-08-01 | I remember the old lido (just) and I would like to see it back. It would significantly improve central Twickenham and have great positive knock on effect throughout the town bringing quality businesses to the area.  |
| Astrid Powell      | Twickenham, England, UK        | 2015-08-05 | Thirty years is a long time to leave a beautiful riverside site empty.  |
| Richard Chatterjee | Croydon, England, UK           | 2015-08-05 | I'm signing because I think it'd be good to have a lido on Twickenham Riverside.  |
| Ellen Purton       | Twickenham, England, UK        | 2015-08-05 | I have long thought that Twickenham should rebuild a pool, with a strong outdoor component, to draw residents to the river in the summer. More importantly, we have a lovely stretch of river frontage which has just been renovated to ..... leave it as a car park. This is a sad waste of our riverside heritage. Move the car parking further inland (up by the old pool building, next to the playground (added benefit -- parking closer to the shops) and put a leisure area (with a lido!) along the river side with a nice grassy terrace rolling down to the river. Then we might develop a riverside feel to the town. |
| Gavin Wheeler      | Twickenham, England, UK        | 2015-08-06 | we want a pool again  |
| Sarah Culbert      | Phoenixville, Pennsylvania, US | 2015-08-06 | I'm signing because Twickenham is an amazing place to live and this would enhance it even more. I still think of Twickenham as my home even though I currently live abroad and we still have a house in Strawberry Hill.  |
| James Barrett      | London, England, UK            | 2015-08-06 | I want the people of Twickenham to decide what gets built in Twickenham, not a Local Authority with its heart and soul in Richmond.   |
| Sharyn Oliver      | Bransgore, England, UK         | 2015-08-07 | This area is well overdue for development and this seems like the best plan for the area to be put on the table so far. It would give Teickenham the status it deserves and provide a fantastic outlet for the local residents.   |
| Trevor Baylis CBE  | Twickenham, England, UK        | 2015-08-07 | I have always had an interest in swimming and I swam for Great Britain. It would be perfect for young children to learn to swim on Twickenham Riverside   |

| Victoria Greenwood | London, England, UK            | 2015-08-09 | Lidos provide a wonderful haven from urban city life, in Twickenham it uses a natural resource and it provides extraordinary health benefits whilst also providing a resource for inner city families who cannot afford many London facilities and provide a "day out".   |
| Christina You      | Richmond, England, UK          | 2015-08-10 | This venture would generate business in the Twickenham area, as well as providing local people with an enjoyable leisure facility.  |

| Allison RAINEY     | Weybridge, England, UK         | 2015-08-12 | It is about time Lord True did something positive for the residents of our town as well as the visitors to our town. We are not all rugby fans. But we do all spend time at the riverside and have put up with second best for far too long. Of course....We have to ask ourselves, will there be enough financial gain in it for Lord true himself or for his cronies? If the answer is yes, I bet we'll get it! In the blink of an eye. |
| Claire Lambros     | Esher, England, UK             | 2015-08-12 | Twickenham town centre has been ruined I the last 25 years and I feel this development will give Twickenham back a bit of its former glory.   |

| John Holding          | Twickenham, England, UK      | 2015-08-13 | It's about time LBRUT (and Lord True in particular) listened to Residents instead of trying to steamroller ideas through  |

| Carola Nunns          | Twickenham, England, UK      | 2015-08-24 | I have missed this facility since it was closed! A lido on the river is just perfect. If the council are worrying about non use in the winter months look at Hampton pool as a role model! Or build it so it can also be used as an ice skating rink. I know for a fact that is possible! |

| Debbie harper   | Twickenham, England, UK        | 2015-08-24 | Since twickenham baths shut there has been nothing local never should have shut it .   |
| Peter Brunyee   | Teddington, England, UK        | 2015-08-25 | Twickenham certainly needs more and better amenities and this would bring character, interest and people to the town. The riverside is a great spot but painfully underutilized. With imaginative schemes and good planning the Riverside and Church Street area could so easily bring long-term benefit to Twickenham by giving the town much needed focus. |
| Deborah Wilson  | Barrow-in-Furness, England, UK | 2015-08-25 | Twickenham needs this USP!!!!  |

| Dominic Thranum | Twickenham, England, UK        | 2015-08-27 | I do not want to see a block of expensive flats on the river-front. We need public spaces for the people of Twickenham.  |

| Juliette Jowit       | Teddington, England, UK           | 2015-09-04 | It would enhance the area - widely, so I include Teddington - and be another way to encourage families and people of all ages to be active. It looks huge fun  |

| kate perring        | Twickenham, England, UK       | 2015-10-24 | i'm local and would use this daily. the riverside site has been modernised and stripped of any character, a lido would bring it back.   |

| Pete Clemence                 | Slough, England, UK       | 2015-11-07 | I've always thought a swimming pool should have been kept in twickenham.The old pool site. I wasted as if people use it they are moved on for being antisocial.  |

| John Leach      | Feltham, England, UK    | 2015-11-11 | I enjoyed swimming at the old Twickenham baths. The site by the river is pleasant for swimming. It is healthy for young people. Much nicer than swimming in an indoor pool.  |
| Elaine O'Connor | London, UK              | 2015-11-12 | The current (Nov 2015) proposal is tasteless and impractical - this is something everyone can use, and it's HEALTHY!   |

| Sara Johnson    | Bristol, UK             | 2015-11-15 | A lido would be a wonderful asset for locals and would draw visitors in to the town .Itwould restore a much loved asset which we all lost.It would be unobtrusive and in keeping with the area. For Gods sake let's bring it back. |

| Tim Sierwald     | Twickenham, England, UK            | 2015-11-17 | A great and sound idea to really rejuvenate the riverside. Self funding and fully costed so minimal cost to the local tax payers.....good luck!  |
| Steve Kemsley    | Twickenham, England, UK            | 2015-11-17 | The other plan put forward by the council is bland and does not reflect the unique location or history of the riverside and town centre.   |

| Kirsteen Hallett | Twickenham, England, UK            | 2015-11-17 | I am signing this petition because the people of Twickenham should have their say in what happens to their riverside. Lord True lives elsewhere and is welcome to enjoy his own neighbourhood as he prefers . We do NOT need his opinion foisted on us yet again. This piece of riverside is a precious open space and should remain so for the recreation of residents and visitors alike. Thank you. |

| graham connor              | Twickenham, England, UK      | 2015-11-27 | I have visited the Bristol lido and it was a wonderful discovery, my wife and I wished something like it could exist in Twickenham, so to hear its a possibility is very exciting, it is a quality place, great modern cafe/restaurant aswell with an imaginative menu, the great thing is you don't have to swim to eat, the Twickenham site could offer views internally to the pool and externally to the river,fingers crossed it happens |
| Jeanette Arregger          | Birmingham, England, UK      | 2015-12-05 | I have just seen the proposal for pastiche regency housing for the rich for this site. What a missed opportunity for the Council to provide something that the whole community can enjoy on our beautiful riverside.  |
| Max Balfour                | Twickenham, England, UK      | 2015-12-05 | I believe any scheme developing the twickenham riverside site should include a swimming pool  |

| Judy Weddle                    | Richmond, UK                | 2015-12-12 | I'm signing because it is imperative to restore community into our culture.   |

| Belinda Campbell     | Twickenham, England, UK          | 2016-01-05 | I learnt to swim in Twickenham swimming pool in the early 1970s. A very special memory, and such a shame it went to ruins. As a school girl, I used to walk past the derelict pool on the way to the river, and look through a hole in the brickwork. I would see the pool overgrown with plants in it...I found it hard as that school girl to understand why it was in a very poor condition as a result of disuse and neglect.... |
| Adele Colley         | Twickenham, England, UK          | 2016-01-05 | I used to love swimming at the previous pool in the 1970's and would be a regular visitor should the lido plans go ahead.  |
| Kate Parker          | Hampton, England, UK             | 2016-01-14 | This sounds amazing!   |
| Alex Blamire         | East Molesey, England, UK        | 2016-01-15 | The pool should never have been taken away from the people in the first place. Just like Richmond ice rink, it's about time our leisure facilities were replaced. No wonder childhood obesity is on the up! This would be so, so welcome & a really positive investment for the area. What's not to like?  |
| Sandy Houghton       | Feltham, England, UK             | 2016-01-15 | It would be a real asset to Twickenham   |
| Sabrina Moutarde     | Dubai, United Arab Emirates      | 2016-01-16 | I grew up in Twickenham. It was a shame it went in the first place. Bring back the leisure facilities it deserves. Keep the community and next generation active!  |
| Andreana Bateman     | Feltham, England, UK             | 2016-01-16 | It's worth it  |
| Sharon Maycock Prime | Staines-upon-Thames, England, UK | 2016-01-16 | I grew up in St Margarets and we loved the pool and the ice rink!  |
| Jane Cook            | Hampton, England, UK             | 2016-01-16 | This would be great for Twickenham. Hampton pool is a brilliant example of how popular pools are. If it hadn't have been for the residents of Hampton the council would have closed this. Don't know what happened to the money set aside for the ice rink?  |
| Frances Ng           | Twickenham, England, UK          | 2016-01-17 | This would be so much more beneficial to us than the grandiose plan proposed by the Council and would give more long lasting enjoyment to so many people rather than the monstrous regency designed shopping area with (adding insult to injury) 40+ luxury apartments currently planned.  |
| Christine Conder     | Fenstanton, England, UK          | 2016-01-25 | I was born and brought up in Twickenham and used to like visiting the area. I remember the original Lido and spent many happy hours there as a child. The town has deteriorated in recent years and there is very little to bring  |

|                   |                         |            | me back to visit the area at present. I feel this facility would be a very strong draw to those both living in Twickenham now and those whose roots belong in the area. I would certainly visit Twickenham on a regular basis should such a facility be available.   |
| Robert Brignell   | Twickenham, England, UK | 2016-01-26 | The location should be returned to it's previous use. The old Lido was very popular, this should be continued.   |
| Janine Fotiadis   | Twickenham, UK          | 2016-02-01 | Twickenham would benefit enormously from having a local hub. Twickenham has a strong community spirit and a lido would naturally become the heart of our community. Very welcome indeed.   |
| Dave Ward         | Twickenham, England, UK | 2016-02-04 | I love Bristol lido and the location in twickenham would be wonderful. It would be a great place to go   |
| John McNutt       | Twickenham, England, UK | 2016-02-06 | Twickenham deserves a Lido, the council needs more imagination and I believe it is viable. The Quinlan Terry scheme is an awful pastiche and will only have negative impact. I am very concerned it the Council somehow think this scheme can successfully be amended - it is so far off the mark of what Twickenham actually needs.   |
| David John        | Twickenham, England, UK | 2016-02-15 | I want to see all options considered not just the one the local counsel leaders seem to favour. A Lido seems to be a far better alternative than the one idea we have seen so far.   |
| Phil Cooper       | Ashford, England, UK    | 2016-02-15 | It's been too long!  |
| Jude Price        | Twickenham, England, UK | 2016-02-15 | I think it would be a fantastic facility for local residents to use and also bring interest and investment from outside to the area. There are too few public facilities available, and this would fit perfectly by the river, especially with boathouses and clubs also making a comeback. Active, happy and healthy Twickenham / Richmond must surely be a valid goal.       |
| Emma Beswetherick | Twickenham, UK          | 2016-02-15 | I love twickenham and may well live here all my life, but it seems to me there is so much untapped potential in the town centre, which sees shops closing and little life. The riverside is beautiful and to open this up to the town by re-installing a lido like the fabulous one in Bristol is a fabulous way to bring something wonderful back into the heart of our town. |
| John Warrington   | Ashford, England, UK    | 2016-02-15 | I grew up in Twickenham when the pool was very much central to the community in the summer time. It's time to go back to community to make the town a better place   |
| Annette Lufflum   | Shepperton, England, UK | 2016-02-15 | There is not enough recreational places per head in the area.  |
| Linds McHugh      | Twickenham, England, UK | 2016-02-15 | I like the idea of having something special in the town centre.  |

| Jess Holder      | Hampton, England, UK               | 2016-02-15 | fantastic use of the riverside to exercise, relax and spend time with friends and family in the fresh air  |
| John Muir        | Twickenham, England, UK            | 2016-02-15 | This would revitalise our town centre and put Twickenham back on the map   |
| Simon Fullalove  | Twickenham, England, UK            | 2016-02-15 | Looks like a good plan. I have to drive to Hampton every week to get an open air swim - I could walk to this.  |
| S TATUM          | Twickenham, Middlesex, England, UK | 2016-02-15 | I want to see Twickenham come alive again. Twickenham has been neglected for far too long. We have an opportunity of supporting the small businesses in the area, by bringing more interest. We don't only want to be famous for RUGBY. We want somewhere pleasant to go to. Twickenham river and town centre deserve to have a lido and river front where we can all visit.   |
| susan williams   | Twickenham, England, UK            | 2016-02-15 | I'm signing because the present plans does nothing to improve the view from the town centre. I thought this was the original intention of any improvements. All the proposed development is offering are just more luxury apartments. How is this going to enhance the Twickenham town centre and the riverside? Give us back a lido and help to develop the wellbeing of the residents and visitors to Twickenham and at the same enhance the whole riverside for everyone not just those wealthy enough to purchase luxury property. |
| Guy Rendle       | Twickenham, England, UK            | 2016-02-15 | This is an entirely sustainable idea that would benefit all residents and move Twickenham away from rows of empty shops or charity shops   |
| Chris Holland    | Twickenham, England, UK            | 2016-02-16 | It is much more appropriate to Twickenham than the current proposal, would properly develop the riverside and be accessible to local people.   |
| Pauline Hogan    | whitton, England, UK               | 2016-02-16 | It would be a boost for the area   |
| Charles Jamieson | Dunlop, Scotland, UK               | 2016-02-16 | I used to live in Twickenham and visit regularly. Twickenham really needs a focus like the lido. I would use it and be happy to spend time there rather than head into Richmond.   |
| Ray Keenoy       | Richmond, England, UK              | 2016-02-16 | I love the riverside   |
| Jon Appleby      | Twickenham, England, UK            | 2016-02-16 | Developing community sports and health facilities is an essential part of the future for families.   |
| Michael Frain    | Kingston upon Thames, England, UK  | 2016-02-16 | Facilities are badly needed for the fitness and happiness of all.  |
| Samira Ahmed     | New Malden, England, UK            | 2016-02-16 | The lido would transform the riverside for the better. My children row at Twickenham Rowing Club, my son goes to a local school and this is an amazing chance to give the town   |

| Tom Ellery             | London, England, UK               | 2016-02-16 | Twickenham should be celebrating it's heritage in it's redevelopment plans, not just throwing up more new 2 bedroom apartment builds. A lido back on the river would be amazing for the area             |
| Chris Leaney           | Worthing, England, UK             | 2016-02-16 | Twickenham is a vibrant town that needs a lido ti complement the rest of the waterfront.   |
| Sally George           | Hounslow, England, UK             | 2016-02-16 | I want to see the area used not left derelict  |

| ALEX SINCLAIR          | Twickenham, England, UK           | 2016-02-16 | It's about time that residents had what they want, having lost, against their wishes, the original pool and an ice rink which was never replaced as promised.  |
| judith hawke           | london, England, UK               | 2016-02-17 | I would swim   |
| Donald MacCallum       | Isleworth, England, UK            | 2016-02-17 | The riverside should be fully utilised as a public resource  |
| Elizabeth Balding      | Kingston upon Thames, England, UK | 2016-02-17 | I lived in Strawberry Hill for 34 years and spent many happy hours in the previous pool. Its closure meant less visitors to the town and a loss of healthy exercise.                                     |
| adele deacon           | feltham, England, UK              | 2016-02-17 | I am signing because I think that a Lido would be very good for bringing people back to Twickenham and also it would be a nice place for all people to be able to go to, IT really would be a good idea. |
| Liz Bushby             | Twickenham, England, UK           | 2016-02-17 | A pool in Twickenham would mean I would get to swim near home.   |

| Carolyn Townsend     | Twickenham, England, UK | 2016-02-18 | I remember such happy times at the old Twickenham lido. This proposal will reinvigorate the heart of our town. We need more inclusive community facilities, not more exclusive housing and retail outlets.   |
| Lisa Broddle         | Twickenham, England, UK | 2016-02-18 | It would be a marvellous place for the community   |
| elizabeth mangat     | toronto, Canada         | 2016-02-18 | I have family in the area...older adults, children and young people... who would love to have a Lido on Twickenham Riverside. Beautiful! Sounds like a great move.I would love to visit when in Twickenham   |
| Claire Pemberton     | Twickenham, England, UK | 2016-02-18 | I would like a lido in Twickenham  |
| Christine Byron      | London, England, UK     | 2016-02-18 | From the beginning always wanted the lido to be restored. This is a wonderful idea and would be life enhancing for local people.   |
| Mark Atkinson        | Twickenham, England, UK | 2016-02-18 | This scheme would bring new life to Twickenham riverside, social, eating, leisure, sport - a great combination and a venue to be proud of.   |
| Alice Hinken         | Isleworth, England, UK  | 2016-02-18 | I live fairly close (in Isleworth) but often spend time by the river in Twickenham. A lido would be a great asset for local residents/families and would extend business opportunities in the area.  |
| DANIEL WHITESIDE     | London, England, UK     | 2016-02-20 | Its a great idea. I would use it. Better than just more flats for foreign investors.   |
| Diana Collins        | Richmond, England, UK   | 2016-02-20 | Far better to have something like this rather than yet more flats for the wealthy  |
| Christopher Rawlings | Twickenham, England, UK | 2016-02-24 | Far more needs to be done to improve the town centre - it is a hub for the national rugby team, with visiting fans from across the globe, it should be a stunning addition to the town. It will improve the trade for business in the town and quite frankly it is shocking that modern improvements to the riverside aren't being pursued. Perhaps Richmond Upon Thames should look outside of Richmond Town Centre to upscale other towns more than just some new pavement here and there. |
| Peter Clayton        | Twickenham, England, UK | 2016-02-26 | I would like to see a facility on the Twickenham riverside that all townspeople could use.   |
| Sheila Stanley       | Teddington, England, UK | 2016-02-26 | There are only two swimming pools in Richmond borough. We desperately need one in twickenham.  |

| Claire Botha     | Stoke-on-trent, UK               | 2016-03-01 | As a local resident this would be an amazing facility and draw footfall into the town centre.   |
| Emma Farquharson | Twickenham, England, UK          | 2016-03-03 | A lido would be brilliant for Twickenham and the community!   |
| Jon Burrell      | London, England, UK              | 2016-03-03 | All the options need to be publicly considered. The council is ignoring the key findings of its own consultations. Why such a lack of transparency ?  |
| Sheila White     | Teddington, England, UK          | 2016-03-06 | The best way to create a vibrant heart to the centre of Twickenham is to have an open aspect from king street to the river thus linking the two visually. The lido proposal could be part of the scheme. Currently Twickenham centre is a sad mismatch . Nature has given us the river. Let's now work with it to create a plan with vision and prosperity for the future rather than short term gain |
| Sonny Moore      | London, England, UK              | 2016-03-07 | The current design is a missed opportunity and lacks any imagination or sympathy for the surrounding area   |
| Anne Collins     | Twickenham, England, UK          | 2016-03-07 | It would be wonderful way of regenerating Twickenham. Opening up the riverside and offering this great attraction which both young and old could benefit from. We need a Lido - Please !!!  |
| Holly Hester     | Newcastle upon Tyne, England, UK | 2016-03-14 | Love swimming and would be nice to have a local one rather than Hampton wick/Richmond. Would also take natural beauty of riverside in and be good for aread   |

| Emile Bitar      | Twickenham, England, UK          | 2016-03-15 | If Twickenham is to be considered a community then it needs a heart and I can think of no better heart than a Lido to be enjoyed by all.  |

| sandra roche    | Twickenham, England, UK     | 2016-03-16 | Give the young people, young families and the older generation a communal recreational place with the emphasis on keeping fit, promoting swimmers especially as we live along side water. | Imogen Radford  | London, England, UK         | 2016-03-17 | This is tricky. It sounds better than exclusive housing, by a long way. But £20 entrance, no children or young people on their own, and limited times? What about in the summer when demand would be high? On balance I will support, but some big questions remain. |

| Robert Percy      | Twickenham, England, UK     | 2016-04-06 | It would be an excellent asset for the people who live and pay council tax in Twickenham and for local businesses benefiting from the extra footfall. (But not so good for profit-hungry property developers).   |

| Felicity Counsell | Twickenham, England, UK   | 2016-05-27 | Twickenham needs more amenities for local residents to regenerate the heart of the town. This is in keeping with the original use of the site both in terms of function and scale, unlike the Council's preferred option which is essentially an ugly, old-fashioned looking block of flats which would dominate the riverside rather than open it up.   |
| David Jacobs      | TWICKENHAM, Tennessee, US | 2016-05-29 | I think a new lido is just what is needed on Twickenham Riverside and would be hugely popular.   |

We as a family are swimmers & it would be beneficial to my grandchildren to have wide range of facilities close by together with hundreds of other families benefiting. Twickenham is also a fantastic place to live, work, shop, and raise a family, after all we should have a "say" considering we are the taxpayer's# |

| Katie Mullen       | London, England, UK     | 2016-07-29 | This would be fantastic for local people and attract others to the area. Hope the council take note of what people actually want in the area (which is not a giant block of flats)   |
| Holly Hilton       | Twickenham, England, UK | 2016-07-29 | I think this is a wonderful idea to really make the most of our riverside. | Ambrose Fotiadis  | Twickenham, UK          | 2016-10-25 | It is a brilliant idea and I can not think of any better to rejuvenate the area !!!  |
| Marianne Le Duc   | Twickenham, England, UK | 2016-10-25 | This is the better option to bring the community together and bring up the image to Twickenham. Children would love it due to the abundance of families as well as giving the extra parental treats with spa facilities. It will make Twickenham a lot classier without being too over the top. Almost like our very own Soho House but open to the public |

| Mark Nepstad      | Twickenham, England, UK     | 2016-11-27 | I'm signing this petition because building a Twickenham Lido will enhance our local community in so many positive ways. Let's make it happen!  |
| Michael Hardisty  | Twickenham, England, UK     | 2016-11-27 | We need more imagination and glamour in Twickenham, whilst respecting our local history.   |

| Sue Burgis        | London, UK                  | 2017-01-04 | I think a Lido would be a very healthy and sociable meeting place for all.   |
| John Nugent       | Twickenham, England, UK     | 2017-01-18 | Richmond, Teddington, Whitton and Hampton all have a swimming pool which local residents can walk to. This is an opportunity to reinstate the same quality of life for Twickenham residents. A swimming pool brings health, fun and happiness into the heart of our community. More empty retail space and fast food restaurants do not. |
| Nibor Shoreland   | Guildford, England, UK      | 2017-01-21 | The plans look inviting to stroll and sit as well as swim.   |
| Michael Newman    | Teddington, England, UK     | 2017-01-23 | Of course this should be ka lido! We don't need any more housing - we need public places we can visit and which bring us together. Many of us haven't forgotten the loss of the ice rink in Richmond. Council : STOP selling off our spaces for shops and housing.   |
| Janice Brown      | Twickenham, England, UK     | 2017-02-01 | Twickenham Pool was the most wonderful, magical place. We need it back.  |

| Alison Carlisle   | London, England, UK     | 2017-02-13 | I want to see the riverside used for sport and leisure related to water not just more shops or luxury flats  |

| Madeleine Bell    | Twickenham, England, UK | 2017-02-14 | As a swim teacher I feel it would encourage many people young and old to learn how to swim. This knowledge is invaluable as it's a sport that is recommended throughout a persons life. Twickenham would benefit greatly from this.  |
| Bobby Kirke       | Twickenham, England, UK | 2017-02-14 | As someone who went to school in the area, and even now still lives nearby, i believe that the lack of entertainment and leisure facilities in Twickenham is a real loss to the town as a whole. Currently, if anyone in the area i know wants to go out somewhere other than a pub, we all have to go to Kingston! To have somewhere so much closer and more accessible and sensitive to local community would be a great boon for the town |
| Anita Woodcock    | Sandown, England, UK    | 2017-07-06 | My family not only come from the area for generations, but my Gt. Grandfather was the Swimming Instructor at the original Pool in Mereway Road. I feel very passionately about building a new Pool in this area.   |

| Kathleen McGraw   | Twickenham, England, UK | 2017-07-08 | I am signing because as a resident of Twickenham, I believe the High Street is appalling and believe a Lido would give Twickenham a "wow" factor it sorely lacks. My friends and I prefer to go to Richmond or Teddington, as these towns have so much more appeal. A lido would bring more people to the town and provide local business more opportunity. It   |

| Becky Hansen    | Wellingborough,<br>England, UK          | 2017-07-09 | According to Dr Chris Van Tulleken cold water swimming is very good for health. So this sounds like it would be a good community facility. Oh and good family fun!   |
| Helen Oakwater  | Bushey,<br>England, UK                  | 2017-07-10 | As a former resident of East Twickenham for 20 years and hoping to return, we need a pool. I travel from watford to Hampton for a swim.  |
| Eileen Glynn    | Twickenham, UK                          | 2017-07-10 | I'm very much in favour of a lido being provided.  |
| Lynne Cooper    | KIngston<br>upon Thames,<br>England, UK | 2017-07-10 | I love in the Borough, not far from twickenham and swim regularly. Twickenham riverside should be developed into a community space and the lido would provide that   |
| Eileen Glynn    | Twickenham, UK                          | 2017-07-10 | My family love swimming and I think it important that the younger ones have the opportunity to be strong swimmers. Being able to swim can help to keep people healthy and save lives in certain situations, so a lido in Twickenham could encourage people. (Health and Safety!) |
| Amelia Wood     | Feltham,<br>England, UK                 | 2017-07-10 | This is exactly what twickenham needs to put this part of London 'on the map'. It will encourage a community spirit and would be a superb addition for all ages x  |

| Angela Creek       | Twickenham, England, UK           | 2017-07-10 | It would be amazing especially this weather! BUT must we have a car obscuring the river which is the BEST ASSET in Twickenham?   |
| Stephen Scott      | Teddington, England, UK           | 2017-07-10 | I am a swimmer and enjoy swimming outside  |
| andrew hooper      | Hampton, England, UK              | 2017-07-10 | This would be great opportunity to promote health and exercise to the borough's population and act as a magnetic to draw people to Twickenham centre which has quite frankly become very uninspiring.                                |
| Sue Mcgregor       | Londkn, UK                        | 2017-07-10 | I believe sports facilities in this area of Twickenham would bring more benefit to locals and attract visitors than building flats and shops.  |
| Emma Elengorn      | London, UK                        | 2017-07-10 | I value the community and would like to see our facilities and our community spirit grow.  |

| sharon smith       | Kingston upon Thames, England, UK | 2017-07-11 | Twickenham is a beautiful place and people will flock to it creating more business for the community   |
| Russell Wilfred    | Espoo, Finland                    | 2017-07-11 | Because I think it would be great for Twickenham, and the surrounding areas. There are only two lidos in the area (to my knowledge), Hampton and Richmond, I believe there is plenty of demand for a third. I would certainly visit. |
| Vicky Goodall      | Richmond, England, UK             | 2017-07-11 | It would be a great asset to Twickenham and its residents  |

| Nick Dolan           | Barnsley, England, UK              | 2017-07-14 | I believe this will be highly beneficial to the health of our community where it's highly populated and difficult to get in to nearest outdoor pools!   |
| Charlotte Price      | Salisbury, England, UK             | 2017-07-14 | I think this will be a great amenity in Twickenham  |
| Michael Ashby        | Royal Tunbridge Wells, England, UK | 2017-07-17 | This lido was abandoned and decaying, before it's eventual closure. Just look at the thriving examples of the unique qualities a lido can offer, for example, Hampton Lido, Pells Pool, Tooting Bec, Uxbridge, London Fields...etc. This would be a fantastic addition to the riverside and loved across the generations. Swimming is excellent for mind and body. Get this rebuilt!! |
| Sharon Lewis         | Surrey, England, UK                | 2017-08-20 | Family amenities like a Lido will enhance the area. The model of success has been proven. A space identified. There is strong demand to ensure usage. Business case done.   |
| Heidi Briscoe        | Teddington, England, UK            | 2017-08-20 | It's desperately needed!  |

| JESSICA Maspes        | Teddington, England, UK     | 2017-08-22 | Such a beautiful lido would significantly add to the attractiveness of Twickenham and give the local community an urban oasis of calm and wellbeing and central hub for socialising with family and friends.   |
| Robert Bridge         | Hampton Hill, England, UK   | 2017-08-22 | Twickenham would be a vastly better place with something like this. It would bring locals and visitors in and would probably liven up a very poor and tired high street. Much more thought needs to go into pedestrian, bus and cycling concerns though. The 'new' development that came in a few years ago is basically a car centred race track for people travelling through and not stopping and contributing to the local economy. It's bonkers. This proposal is the opposite. |
| Ann DAVIS             | Hounslow, UK                | 2017-08-22 | I'm signing because Twickenham needs something over the years lost swimming pool, cinema what do we have to offer COFFEE SHOPS COFFEE SHOPS and more COFFE SHOPS   |
| Maddalena Cloke       | Teddington, England, UK     | 2017-08-22 | I think it is a fantastic idea I really hope that we will have a lovely lido   |

| Christine Paul        | Feltham, England, UK        | 2017-08-22 | When I was young I spent many days at the twickenham swimming baths was very good memory's it needs to come back   |
| Bridget Dunford       | Teddington, England, UK     | 2017-08-23 | Brilliant idea and all for more leisure facilities in the borough. They closed Twickenham swimming pool years ago and the site was derelict for ages whilst different councils ponder & waste money. This riverside location is crying out to be put to public use not private expensive dwellings. The area could be the star attraction to Twickenham not just filled with the odd international rugby supporters tsking impromptu swims in the river!                             |
| Nick Garner           | Gerrards Cross, England, UK | 2017-08-23 | That site has been unused for years and was originally a pool. I think it should be reinstated as a lido...  |
| John Kearney          | Basingstoke, England, UK    | 2017-08-23 | How can this be turned down?   |
| Patricia Etter        | Teddington, England, UK     | 2017-08-25 | It would be great to rejuvenate the riverside in twickenham.   |
| Seamus Seamus         | Twickenham, England, UK     | 2017-08-28 | This would do so much for a central part of riverside Twickenham which has already had a number of attentions paid to it - sadly, none so far which have made best use of a scenic, lynch-pin social area at the heart of the town.  |
| Twick Riverside Park  | Twickenham, England, UK     | 2017-09-08 | This is a brilliant proposal.We would like to see the riverside pedestrianised and a town square too.  |

| Rugga Bugga      | Twickenham, England, UK           | 2017-09-27 | This would be fantastic for Twickenham  |

| Cheryl Macleod   | Isleworth, UK                     | 2017-10-15 | Lido - wonderful idea we can all use  |
| Janice Brown     | Twickenham, England, UK           | 2017-10-16 | The lido in Twickenham was a wonderful place, and I know that any local residents that remember it will agree with me. It was the social centre of Twickenham. You met friends, took the kids and relaxed. Closing the pool took the heart out of Twickenham. Our skating rink was taken away against our wishes, with a promise to replace it. The pool was closed with a promise to renovate it. Time for the council to put these wrongs right. Give us our pool back. |

| Julie Brassett   | Hampton Hill, England, UK         | 2017-10-24 | I think Twickenham needs something for the kids, it's gone down hill so much recently with good shops going it's basically coffee shops and charity shops, also the drunks that hang outside Superdrug or down by the river, Twickenham needs something for the community and I think the lido would be perfect   |

| audrey janse van rensburg | Twickenham, England, UK      | 2017-10-25 | This is sorely needed!!!   |
| Christabel Moseley        | Twickenham, England, UK      | 2017-10-26 | I think that a lido in Twickenham would improve the wellness of many local residents and will hopefully attract many more people into Twickenham town centre, which is in desperate need of more visitors. |

| sean heidler             | Twickenham, England, UK      | 2017-10-29 | I've been resident in Twickenham for over thirty years and had associations with it for many years before. I remember the wonderful open air pool that was such a popular place all those years ago. Like most of the place it's become almost a derelict place now catering only for the occasional influx of rugby boozers. |

| Louise Roper        | Twickenham, England, UK   | 2017-11-01 | This is the best proposal so far. Would be a great legacy for the council   |
| yvette jones        | Ferndown, UK              | 2017-11-09 | People deserve a place for fun where happy memories can be made. A small redress following the disgraceful closure of the original lido.  |
| alexander gregory   | London, UK                | 2017-11-30 | I'd like to see a sliding roof for all year use. Even partly cantilevered out into the river would be possible and a major feature. I worked on Uxbridge Lido rejuvenation, and lived a couple of years in Budapest, where city beaches (swimming pool complexes) at the riverside and spa facilities enhanced everyone's life. |
| Ann sugden          | Keighley, England, UK     | 2017-12-03 | I AGREE !!!!!.  |
| Timothy Sutton      | London, England, UK       | 2017-12-14 | A town needs facilities, just houses is not enough.   |
| Mairead Buckley     | London, UK                | 2017-12-17 | I'm signing because I want my family to be able to enjoy our local riverside and not avoid it as it's just houses and a car park.   |
| Twicker Man         | TWICKENHAM, UK            | 2017-12-17 | It's nearly as good as the Twickenham Riverside Park Team's Lido proposal!  |
| Twicker Man         | TWICKENHAM, UK            | 2017-12-17 | This proposal is nearly as good as the Twickenham Riverside Park Team's lido proposal! Their proposal is also on change.org at <a href="http://bit.ly/2vTZbSp">http://bit.ly/2vTZbSp</a>  |

| Roger Mortimer-Smith | London, England, UK                     | 2018-03-07 | It's a great idea.   |
| Thomas Curtis        | Twickenham, England, UK                 | 2018-03-09 | I've signed the petition because Twickenham needs more facilities that serve the community - providing an area for recreation. It will also bring new trade to the local high street, which will support local businesses. I don't think the Riverside needs more apartments. There are plenty of residential developments in progress at the train station and near Craneford Park. |
| Ruki Sidhwa          | Beckenham, England, UK                  | 2018-04-07 | It would be great to have another open air Lido in Greater London . I have just been to the Thames Lido in Reading and highly recommend the company to build a similar one in Richmond.  |

| Kim Spencer-Dempsey  | Hounslow Whitton, England, UK           | 2018-04-29 | They took away the Ice Rink years ago and never rebuilt it, as promised, they took the money and run. Would be nice to have a lido, shame they can't put a Rink near by, bring back life to the area, for all ages.  |
| Kyle Ainsworth       | Ballintoy Harbour, Northern Ireland, UK | 2018-05-28 | I think it's a smashing idea!  |
| Molly Gartland       | Teddington, England, UK                 | 2018-06-06 | Twickenham doesn't need more retail! Shopping habits have changed. Mary Portas advised High Streets become leisure destinations. An attraction like this would revitalise a very tired town centre!  |
| Phil Fitzgerald      | Twickenham, England, UK                 | 2018-06-10 | What a fantastic community facility for families in the area. A modern lido would have a very positive effect on the area  |
| Dr Helen Gilbert     | Twickenham, England, UK                 | 2018-06-10 | We've lived here over 20 years and this is definitely the best idea so far.  |
| Lisette Reilly       | London, England, UK                     | 2018-06-10 | It would be lots of fun!   |
| Louise Lester        | Isleworth, England, UK                  | 2018-06-10 | As it will be better than a block of flats!  |
| Ella Proietti        | Hayes, UK                               | 2018-06-10 | Twickenham needs it!   |
| Victoria Diboye-Suku | Twickenham, England, UK                 | 2018-06-11 | This is a fantastic idea! ! Anything that brings the locals together is really good for the community relations. Plus will keep us nice and cool in the summer.  |
