

# The Twickenham Tribune is Never Put Into Recycling

Every copy of the Twickenham Tribune is online, so an advertisement in the Tribune is always there for readers to review. We have thousands of copies read every month and some of these are back issues.

The Tribune is full of interesting information which can be read and referred to again and again – a good read!

The Twickenham Tribune is hosted on its own dedicated server with 24/7 maintenance – we never have to wait until Monday - and we have an experienced friendly technical team always willing to help. Of course, this costs more than the usual hosting and advertising revenue goes towards this cost but we believe it is worth it.

If you are thinking of advertising in the Tribune contact [advertise@twickenhamtribune.com](mailto:advertise@twickenhamtribune.com) - we are always pleased to help with your requirements.
